# Design features

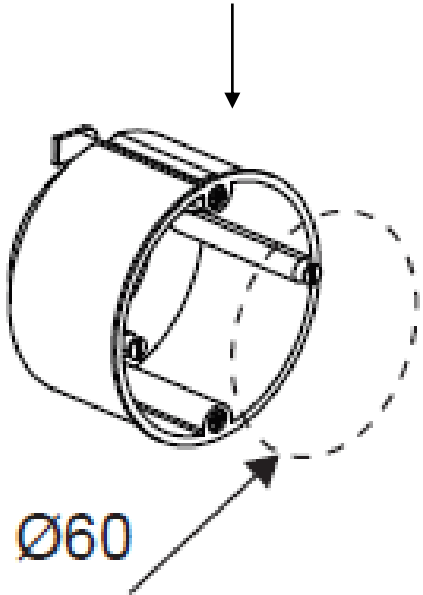

# Installation

# Step 1: Mounting of wall plate

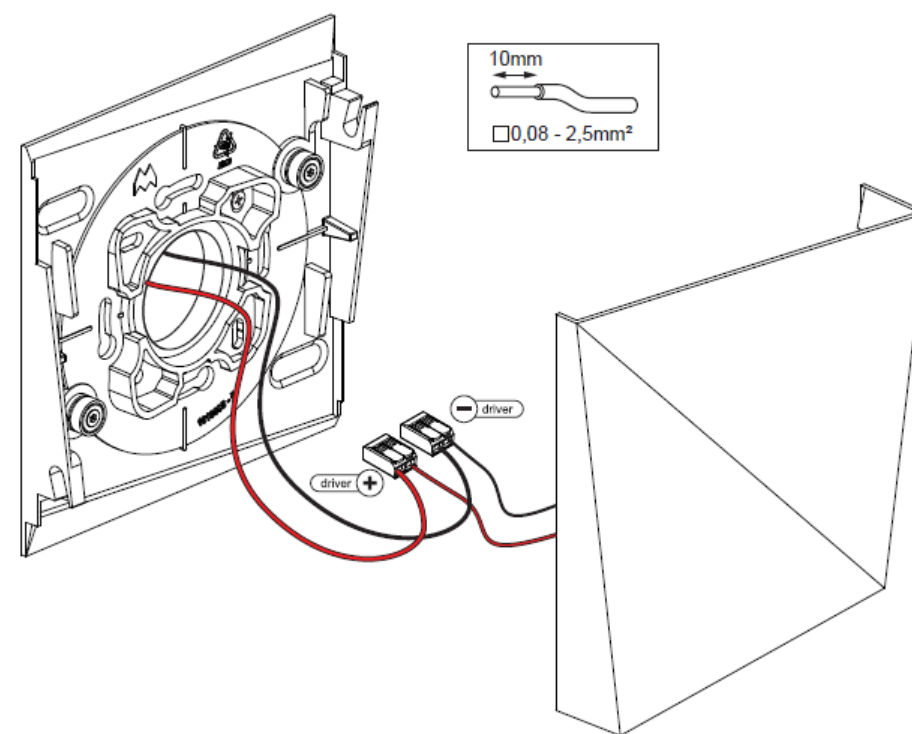

Can be used with a  
standard electrical installation box

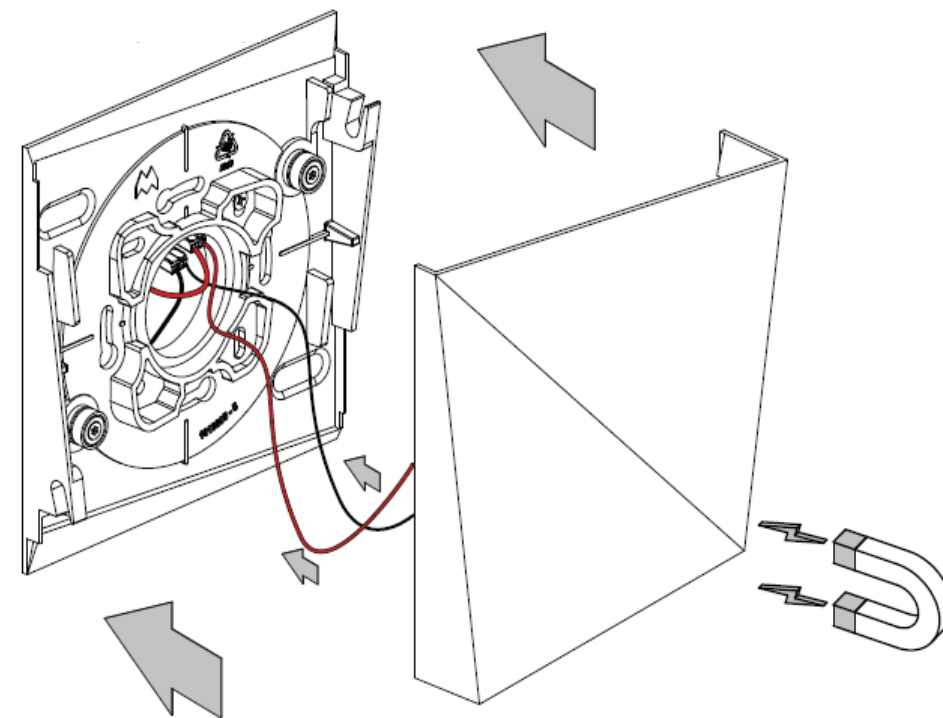

## Step 2: Make your **connection** and hide them in the wall or installation box

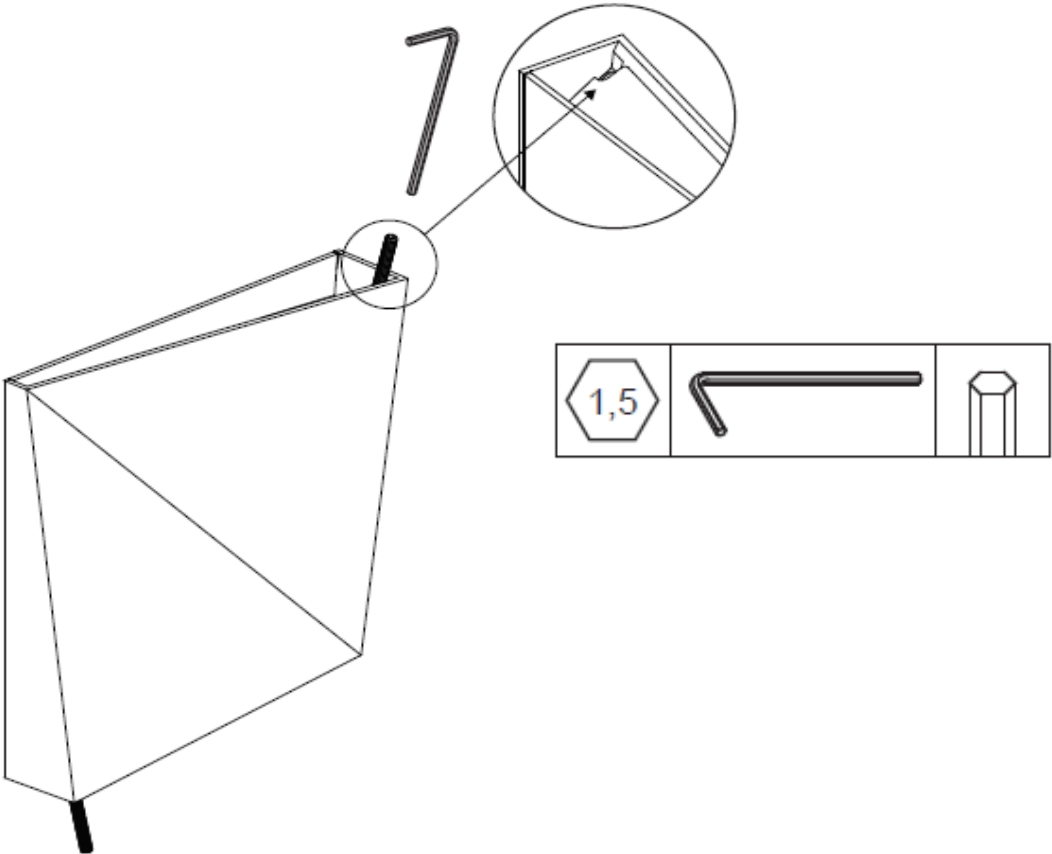

→ **Required space in the wall:** Ø60x50mm

**Step 3:** Place the outer housing on the wall mounted plate  
→ **magnetic fixation!**

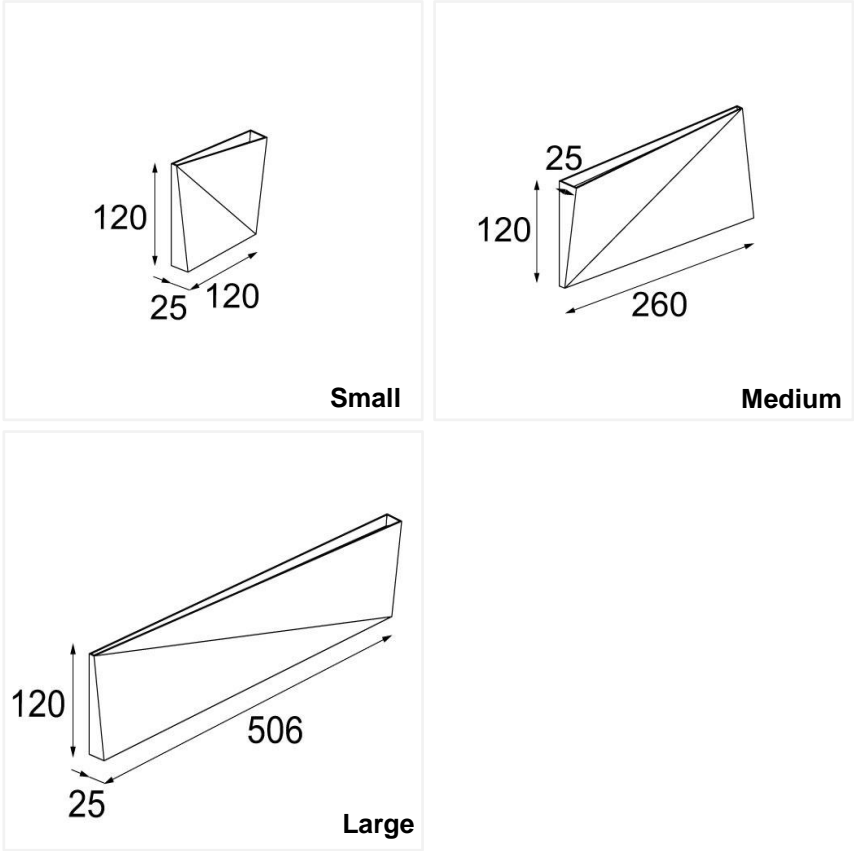

**Step 4: Anti-theft:** small hole allows the insertion of an anti-theft screw
