

Placebo

Two modern pendant lights are shown against a light gray background. Each light consists of a brass-colored metal shade and a frosted glass globe. The left light has the brass shade on top and the glass globe on the bottom. The right light has the glass globe on top and the brass shade on the bottom. Both lights are illuminated, casting a warm glow. They are suspended by black cords.

Placebo

Pure shapes, playful ups and down

About Placebo

- A family of elements inviting you to mix and match
- Handblown 3-layered glass accessories
- 3 accessories to finish it off

Designer: Jeffrey Huyghe
